

## Topas GmbH – re-export declaration

version V1.1, 09.08.2024

Under Article 12g of EU Regulation 833/2014 (version 23.02.2024), Topas GmbH is obliged to include a clause in contracts for the sale, delivery, transfer or export of goods and technologies to third countries that contractually prohibits re-export to Russia and re-export for use in Russia. In addition to the General Business Terms and Conditions of Topas GmbH, the contractual partner accepts the valid re-export declaration.

### The re-export declaration includes the following elements:

(1) The [Importer/Buyer] shall not sell, export or re-export, directly or indirectly, to the Russian Federation or for use in the Russian Federation any goods supplied under or in connection with this Agreement that fall under the scope of Article 12g of Council Regulation (EU) No 833/2014.

(2) The [Importer/Buyer] shall undertake its best efforts to ensure that the purpose of paragraph (1) is not frustrated by any third parties further down the commercial chain, including by possible resellers.

(3) The [Importer/Buyer] shall set up and maintain an adequate monitoring mechanism to detect conduct by any third parties further down the commercial chain, including by possible resellers, that would frustrate the purpose of paragraph (1).

(4) Any violation of paragraphs (1), (2) or (3) shall constitute a material breach of an essential element of this Agreement, and the [Exporter/Seller] shall be entitled to seek appropriate remedies, including, but not limited to:

- (i) termination of this Agreement; and
- (ii) a penalty in an appropriate amount depending on the degree of the violation.

(5) The [Importer/Buyer] shall immediately inform the [Exporter/Seller] about any problems in applying paragraphs (1), (2) or (3), including any relevant activities by third parties that could frustrate the purpose of paragraph (1). The [Importer/Buyer] shall make available to the [Exporter/Seller] information concerning compliance with the obligations under paragraph (1), (2) and (3) within two weeks of the simple request of such information.
